
RESOLUTION

Whereas, it has come to our attention that Governor Jim McCord has not fully decided upon a man to appoint as Commissioner of Highways and Public Works for Tennessee; and,

WHEREAS, the Commissioner of Highways and Public Works should be a man of good reputation, strong character, honest and courteous, and fitted both by training and experience to cope with and handle successfully the many problems connected with the duties of this position; and,

WHEREAS, West Tennessee has never been honored with a Commissioner of Highways, and we being convinced beyond a doubt that there is among us a native son who possess every qualification necessary to successfully plan and direct the important affairs of our Department of Highways and Public Works;

Now therefore, be it resolved by the Weakley County Quarterly Court, in regular session assembled, that we do earnestly petition the Honorable Jim McCord, Governor, to consider the appointment of Honorable Andrew W. Burrus County Judge of Obion County, Tennessee, as Commissioner of Highways and Public Works. We do most sincerely urge his appointment believing him to be fully qualified both by training

and experience to successfully direct the affairs of this important department.

Be it further Resolved, that the Clerk of this Court be direct to immediately transmit this Resolution to Governor McCord, and mail copies to Senator D. Z. Grooms and Representatives H. W. Bradberry, our Representative in the present Legislature.

Upon motion of John C. Hatler and duly seconded by E. W. Wheeling, the foregoing Resolution was passed without a dissenting vote.
